Johanna

Measurements:

Cross-back: 36cm / 14.2"

Bust: 70cm / 27.5"

Following Size: 1

Yarn:

Kanebo Cattleya no.210, 50% wool,
50% nylon, 50g/207m

Emma

Measurements:

Cross-back: 38cm / 15"

Bust: 76cm / 29.9"

Following Size: 1

Yarn:

Jaggerspun Superfine merino 2/18
in Garnet

Note:

I only changed the sleeves on page 40, stopping at row 70. I'm really happy with it! Next time, I'd size up for a more oversized fit.

Wayra

Measurements:

Cross-back: 29cm / 11.4"

Bust: 83cm / 32.7"

Following Size: 2

Yarn:

Tiansizhumian bamboo cotton, 70% bamboo 30% cotton, light blue grey (no.9006)

Note:

I only did 66 sleeve rows since they already reached my wrists. Next time, I'd use lighter yarn for the hot weather here.

Elise

Measurements:

Cross-back: 40cm / 15.7"

Bust: 86cm / 33.8"

Following Size: 2

Yarn:

Lang Yarns Merino 400 Lace (100% Merino extrafine) color : 094

Note:

I added an elastic thread on the cuff by working a row of slip stitches after Rnd 2.

Rachel

Measurements:

Cross-back: 30.48cm / 12"

Bust: 86.75cm / 34.2"

Following Size: 2

Yarn:

Scheepjes Sugar Rush in Old Lace
(100% mercerized cotton)

Note:

I made the sleeves shorter by working fewer rounds, but kept the cuff and lace exactly as written. Next time, I'll decrease the top back width by 2" so it fits my narrow shoulders better and doesn't slip off!

Ana

Measurements:

Cross-back: 41cm / 16.1"

Bust: 90cm / 35.4"

Following Size: 2

Yarn:

Katia mammy / 75% acrylic 25%
polyamide / color 83

Note:

I only crocheted 50 rounds for the sleeves to fit my arm length perfectly. I also skipped the front edge on the button side since it's hidden. It fits great, but next time I might use a lighter yarn so it feels a bit less heavy!

Susanna

Measurements:

Cross-back: 35cm / 13.8"

Bust: 92cm / 36.2"

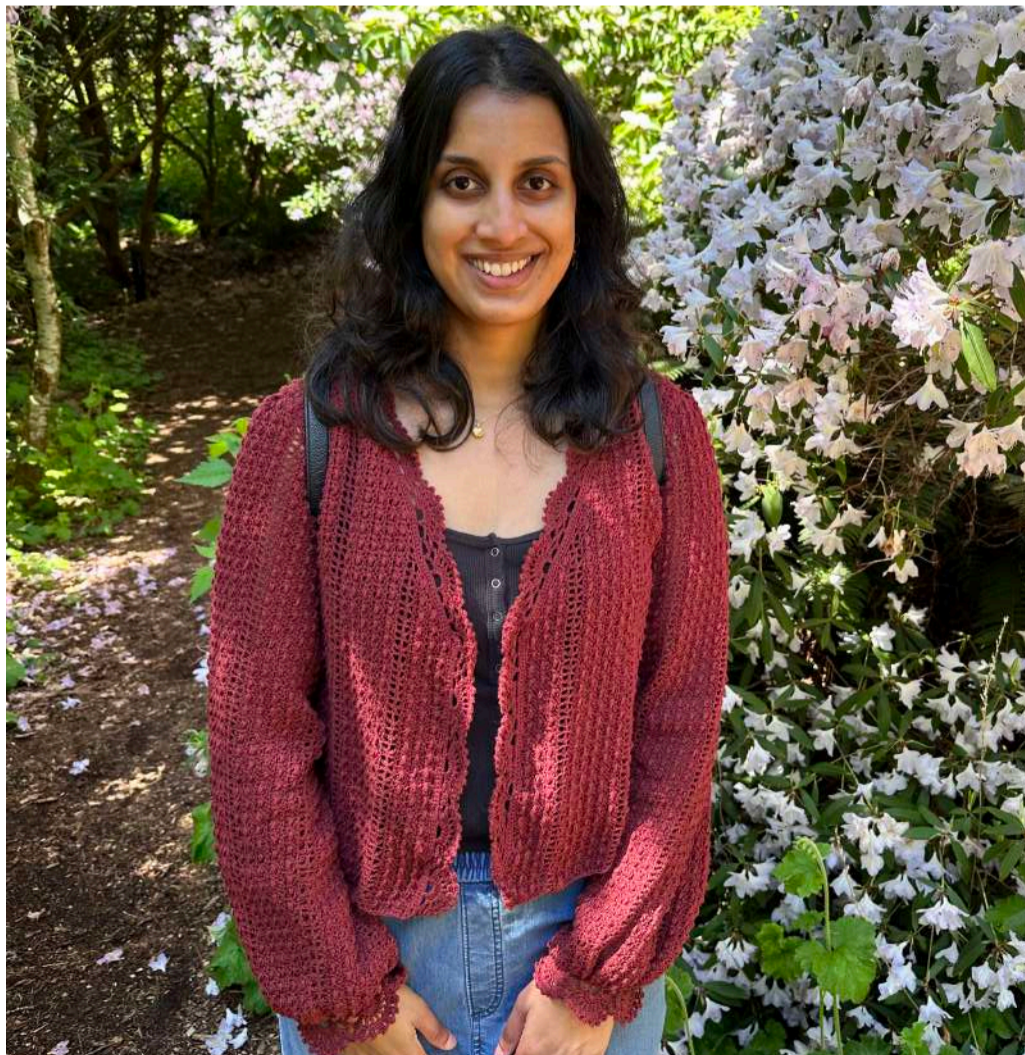

Following Size: 3

Yarn:

Holst Garn - Coast (55% lambswool, 45% cotton), approximately 350m/ 50g, colour cassis

Note:

I sewed thin, clear elastic through the first row of 60 sc afterwards. Next time, I would use a bigger hook for the foundation chain, as it feels a bit tight across my back.

Priya

Measurements:

Cross-back: 42.5cm / 16.7"

Bust: 93cm / 36.6"

Following Size: 3

Yarn:

Holst Garn Coast (55% Lambswool, 45% Cotton) in Bourgogne/ Burgundy

Note:

I added 4 rounds per sleeve (78 total) to reach my wrist. It is slightly tight over thick shirts, so I would add a few extra puff increases in the sleeves, back, and front panels next time.

Selin

Measurements:

Cross-back: 38cm / 15"

Bust: 95cm / 37.4"

Following Size: 3

Yarn:

Isager Alpaca, 100% alpaca, mint/grey color

Note:

I am super satisfied with the fit. Next time, I might try making the body a bit longer or working shorter sleeves.

Kathryn

Measurements:

Cross-back: 44.5cm / 17.5"

Bust: 101cm / 39.8"

Following Size: 4

Yarn:

Miss Babs Yearning, 65% merino, 35% tussah silk, color is Sanderiana

Note:

I added 6 rows to each sleeve before the cuff. Next time, I would size up. Choosing a size by chest circumference was tricky for my shape, and the shoulder and back pleats got a bit lost in the smaller size.

Gizem

Measurements:

Cross-back: 48cm / 18.9"

Bust: 117cm / 46"

Following Size: 6

Yarn:

Folco Merino Blend 3 strands, 100 g
300 m colors Calvi

Note:

I worked the sleeve length in 60 rows instead of 74 rows.

Emily

Measurements:

Cross-back: 42.5cm / 16.7"

Bust: 93cm / 36.6"

Following Size: 6

Yarn:

Exquisite Lace yarn by West
Yorkshire spinners, 80% Falkland
wool, 20% silk in Portobello colour

Note:

I used a 2.00mm hook to get gauge.

Laura

Measurements:

Cross-back: 40cm / 15.7"

Bust: 137cm / 54"

Following Size: 7

Yarn:

Lana Grossa Cool Wool Lace, 100% Merino, Color #47

Note:

I'd just like to emphasize that the stitch charts at the back of the pattern were incredibly helpful - I don't think I would have enjoyed making the full cardigan without them.

Lindsay

Measurements:

Cross-back: 44.5cm / 17.5"

Bust: 139.7cm / 55"

Following Size: 7

Yarn:

Concept by Katia Alpaca Lace, 70% Viscose, 30% Alpaca, color 087 Blue-Lilac

Note:

I only added length to the body, 8 rows to each front & back panel. I am mostly satisfied with the fit.
